LINGAYA'S VIDYAPEETH (Deemed-to-be University)

Lingaya's Vidyapeeth is a renowned educational institution dedicated to nurturing young minds and empowering them with knowledge, skills, and values. Established in the year 1998, our institution has a rich history of academic excellence and a commitment to fostering holistic development in students.

The journey of Lingaya's Vidyapeeth began with a vision to provide quality education and contribute to societal advancement by producing leaders, innovators, and responsible citizens. Over the years, we have grown into a comprehensive university, offering a wide range of undergraduate, postgraduate, and doctoral programs across various disciplines

SCHOOL OF COMMERCE & MANAGEMENT

The School of Commerce & Management stands out as a leading center of excellence for management studies. SOCM was established in 2004-2005 with a vision to create world-class managers, entrepreneurs, and change leaders who can create new benchmarks of professional excellence in the industry.

The department offers six programs: BBA, B.Com (Hons), BMI (Integrated BBA+MBA), MBA, MBA Executive & Ph.D. In the dual specialization MBA program, we offer specializations in Human Resource Management, Marketing Management, Financial Management, Business Analytics and International Business, Operation & Management, Entrepreneurship & Small Business Management, Event & Media Management, Management Information System, Health Care Management.

INTRODUCTION TO THE CONFERENCE

Lingaya's Vidyapeeth and Jammu and Kashmir Economic Association in collaboration with S. S. International Organizes international conference on "Global Finance and Technology Summit 2024 Advancing Inclusion in Emerging Markets. The "Global Finance and Technology Summit 2024," taking place on 26th-27th October 2024 in a hybrid format, is a leading international conference aimed at promoting inclusion in emerging markets. This event will gather industry leaders, policymakers, and academics to discuss and shape the future of global finance and technology. The conference will cover a range of critical topics, offering in-depth insights into various aspects of economic and technological development in emerging economies.

OBJECTIVES

1) Promote Knowledge Exchange on Global Financial Ecosystems

Foster dialogue among global thought leaders, policymakers, and industry experts to explore strategies for enhancing economic stability in emerging markets, improving financial inclusion, and facilitating international trade and investment.

2) Advance Technological Innovations in Financial Services

Highlight cutting-edge technologies such as AI, machine learning, blockchain, and FinTech solutions that are transforming the global financial landscape, with a special focus on their impact in emerging economies and financial markets.

3) Support Sustainable Finance and ESG Integration

Encourage the adoption of green finance, sustainable infrastructure financing, and ESG investing by discussing innovative approaches to managing climate risks and promoting social impact through finance.

4) Address Regulatory Challenges in a Digitally Transformed Financial World

Examine the evolving regulatory frameworks needed to govern cross-border financial activities, corporate governance, and cybersecurity in a rapidly digitalizing financial ecosystem, especially in emerging markets.

5) A Explore the Future of Finance and Disruptive Technologies

Assess the potential of next-generation technologies, including quantum computing, space finance, and artificial general intelligence, in shaping the future of global finance and revolutionizing financial products and services.

About the Call for Papers

We invite seasoned researchers, early career academics, doctoral candidates, a practitioner and thought leaders to contribute their insights to the "Global Finance and Technology Summit 2024 Advancing Inclusion in Emerging Markets". Share your research and innovative ideas that align with our theme.
